KAEMPFERI HYBRIDS, VERY HARDY

Anny — orange red

Betty — brilliant rose-pink

Fedora — large salmon rose

Othello — brilliant red, upright grower

Twenty Grand — semi-double, rose-pink, large flower

All plants in this list are cutting grown. To assure a good solid root system, they are transplanted from cutting benches to open benches in the greenhouse.

The symbol (R) indicates slow or low-growing types and suitable for some rock gardens. (A, B and C) indicate hardiness. (A) hardiest, etc. RHS Ratings.

All Rhododendron Spring Liners are treated with Wilt-Pruf before shipping, and wrapped individually in parchment paper. Packed in special made strong light-weight, ventilated carton containers. Fifty plants per carton. Weight about 45 lbs when packed. We have had many compliments on the fine condition in which plants have arrived.
